“ *Dad,
You were the life of any party..... From the first time I met you, I loved you and your devious little personality. Our kids so much looked forward to the drive to see Clyde (the camel) and to hunt for petrified wood; we all have a piece from your yard and will cherish for years to come. I always felt very close to you after marrying Wayne. You were so supportive of everything our children were involved in and always made them feel special. We miss you greatly, but so happy you are reunited with Mom.
Love and hugs,
Mary*

“ I was sorry to hear about Uncle Tom but am glad that he and Aunt Nellie are together again. I am sorry we couldn't make it to his service.

As a kid, I remember all the fun times we used to have when we would come to Layton to visit. We all used to be fascinated when the jets would fly over your house....thought it was the greatest thing ever! Your mom used to laugh and tell us we would get tired of it fast if we lived there all the time. Your dad and mom were two great people....I loved them both. Uncle Tom had such a fun teasing personality.

I hope you find comfort in knowing that your mom and dad are together again!
