

Thomas Meyers

May 29, 1945 - March 25, 2022

Thomas Meyers "Tom", 76 of Pinckney Michigan passed away in St. George, Utah on March 25, 2022, with his family by his side: sons Michael and Marc, and wife Amy.

Tom started his career working in accounting and information technology for Owens-Illinois where he was the first to use IBM OS HASP in a production environment. He was an IT manager for Dinner Bell Foods and a consultant/project manager in the International Division of Ford Motor Company.

Tom enjoyed keeping busy with golfing, hiking, the occasional really bad dad joke, model railroading, woodworking, where he enjoyed building arts and crafts furniture, photography, reading about history and science fiction, and going to the theater.

He is from a family of 6 brothers and sisters: Susan White (deceased), David (Roberta), Jeanie, Marguerite (Bruce) Chamberlain, and Christopher (Julie). He has many nieces and nephews and a special grandnephew, Walter, and daughter-in-law, Christie, that share his interest in model railroading. His memorial service will be held this summer in Oak Harbor, Ohio.
