

Thomas Douglas Minor

March 8, 1972 - December 9, 2024

Doug Minor passed December 9, 2024 As a young spring chicken confined in a 80yr old beat up vehicle, with a full techno beat dropping along his ride. Along his many travels, and 15 yrs of service in Navy filled with debauchery and work as an Ap mechanic he later added to his family his supportive wife to his many adventurous travels. As well as making a ton of great friendships too many to list for fear of leaving anyone out.

Doug's compassionate and loving nature will be deeply missed by all who knew him. His legacy of kindness, generosity, and unwavering friendship will continue to inspire those he leaves behind.

Although a less than average life span, Doug did not live an average life. He traveled where he wanted to travel, laughed inappropriately at every chance, learned what he wanted to learn, fixed what he wanted to fix and loved who he wanted to love.

He is survived by his devoted wife Tasha. He was a proud stepfather to Jairold II and his spouse Crystal W. and their daughters, Richard W., Miah M., Justin W., And spouse Mitchell C., and Brandon W. Great son and sibling to his father, Thomas Minor, his brother Byron, and his sister-in-law Deanna Minor. He wanted you to know that if he owes you a beer and if you can find him in Heaven, he will gladly allow you to buy him another.

In honor of Doug's wishes, the funeral service will be private. The family extends their heartfelt gratitude to all the friends and family who provided assistance and support during this long and challenging process.

In lieu of flowers, Doug's family kindly requests that donations be made to cancer research for lung cancer or neuroendocrine tumors, causes close to Doug's heart.

Doug T. Minor's light will continue to shine in the hearts of all who knew and loved him. May his soul rest in eternal peace, and may his memory be a blessing to us all.
