

Tommy Wayne Scruggs

February 24, 1949 - February 18, 2019

Tommy Wayne Scruggs, 69, passed comfortably away Monday February 18th 2019, at his residence in Hurricane, Utah surrounded by family and friends. He is survived by his wife, Annette, of 37 years; 5 children, Teresa Wheatley (Warner), Tina, Tracie, Justin, and Ashley; 8 grandchildren; and one great grandchild.

He loved to spend his days exploring, sightseeing, taking endless pictures of flowers, and adding to his monstrous rock collection.

The family would like to thank: Kay Moon, for her love, support, and hospitality; Michelle at Zion's Way, for her brilliant light that touched our hearts, soothed our souls, and helped to make our dad comfortable for his next journey; his friends for their fierce loyalty; and the entire team at Zion's Way. We thank you from the bottom of our hearts.

In lieu of a service, the family will be flying Tommy back to Georgia, where he will be honored with a memorial and surrounded by his family.
