

## Trent Brewer

March 12, 1964 - January 16, 2016

On January 16, 2016, the world as so many knew it was changed forever. Trent succumbed to the evil disease cancer. He was surrounded by family and friends. Through this unfortunate event he was able to be reunited with his loving son.

Trent was born on March 12, 1964, in Price, UT. He is the son of H. Doyle Brewer and Shirley Austin Laws. He was an easy child to raise and for that he was truly appreciated and loved by his parents, step-mother, and step-father.

Trent was a man larger than life; there was always an adventure to be had and never a dull moment. Any child would have been proud to have him as a father and his children were honored and fortunate to call him their dad. He got the grand title of PAPA with his beautiful granddaughters aka: Little Monsters.

Solid as a rock, he never faltered to be there for his little sister. He truly was the best brother-in-law and by far coolest uncle; he couldn't be beat. His favorite adventures in life were scuba diving and exploring beaches on any warm ocean island. His friendships were as true and loyal as any could be; they were the extended family he loved.

In the short time he spent with his loving wife they had more adventures and

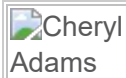

shared a love that most people will take a life time to fulfill. He was the most caring, loving, unselfish, devoted husband Lisa could ever wish for and he will be forever loved and missed.

He is survived by his wife Lisa, loving daughter Allison (Andrew) Reese, 3 added daughters (Shami, Myndi, & Kelsi), 16 grandchildren, sister Robbin (Charles) Cochran, step sisters Brenda (Rick) Lambert, Jennifer Adams Hulse, and several nieces and nephews.

He was preceded in death by his son Tyler, his father Doyle, and other family members.

Per his wishes there will be no services of any kind.

“ I met Trent, Lisa, Robin, and Charles on a dive trip in November to Little Cayman. Trent was very sick then but he bravely went diving and hung out with us. I was struck with the obvious love of his family and friends. He seemed like a great guy. I am very sorry to hear about his passing and I send out my best healing wishes. I hope he is enjoying himself now, maybe in a beautiful undersea world.

“ I have just moments ago heard of Trent's passing and am so sorry for this loss to his family and to me. Selfishly speaking, I have lost a man I considered a true friend. We did not meet often, share many interests, but when we were in sight of one another we would without exception come together for a firm hand shake and great conversation. We were different while being so much alike. In my life he was always a kind man and although much younger than me there existed a respect and friendship between us.

*My love to Lisa and family. I regret my hope and anticipation that I might see him on any given day may be gone, my memories are eternal.*

“ This breaks my heart. I know he was the love of Lisa's life and loved to hear the happiness and love in her voice when she spoke about him and how he made her happy when riding their Harleys or vacations or hanging with family . I know Trent is loved by many. God puts people in others paths and life for special reasons and I know these 2 were meant to be together. My love to all his family and friends. I know memories will help with this time. Sweet sis Lisa, my thoughts are with you and you are thought about every minute. Hold onto the memories.

“ Only knew Trent a short time, but he had to be the most awesome man because I could see the love shine thru when Lisa looked at him. They had a love that few will have, and they made memories of a life time. They will continue that love thru eternity. I'm grateful to have A friend like Lisa and to have gotten to know Trent. Safe in paradise.

“ I was very saddened to hear about Trent's passing. He was a great guy and fun to be around here at work. I missed seeing him around the valley when he moved to St. George. I pray that you find peace and comfort at this difficult time in your lives.
