

## Tyler John Quast

December 9, 1994 - January 26, 2024

Tyler John Quast joined his Heavenly Father on January 26th, 2024. Born on December 9th, 1994, to Kenneth and Lisa Quast, Tyler grew up in Ossining, New York riding bikes and playing video games with the neighborhood kids. Always one to chase adrenaline, Tyler could be found climbing the tallest tree on the block, racing his bike down the biggest hill, and trying to be the fastest one to go down the ski slope. He was one to always play tricks and strived to keep people laughing and happy.

Although mischievous, Tyler was not without a sweet side. Always one to volunteer, Tyler would be one of the first to lend a helping hand, and always went out of his way to ensure that everyone was taken care of. One only had to briefly mention something, and almost like magic, Tyler would make sure it was addressed. His kindness truly knew no bounds, and he made sure to make everyone feel welcome in all situations.

Tyler is survived by his parents, his Grandma Jane, older brother William, and younger sister Katie.

As much as he will be missed here, we are glad that Tyler has been able to join his Grandpa Richard Bronsema, and Nana Madelina Quast in the Garden of the Lord. Between Grandpa and Tyler's jokes and Nana's cooking, we are sure that Heaven is a happier place with the three of them there.

For those who wish to attend, we would like to invite you to a gathering celebrating Tyler at 2:00pm on Saturday, February 3, 2024, at Serenity Funeral Home of Southern Utah located at 1316 South 400 East #A6, St.

George, Utah. Please feel free to bring pictures, stories, and memories that you would wish to share. Just as Tyler knew no stranger, neither do we, and we hope that all will attend. Light refreshments will be provided.

Family and Friends are invited to share tributes to Tyler online at [www.serenitystg.com](http://www.serenitystg.com)

“ Tyler and I met in high school. We became close and talked often. I saw him when I came home for breaks while I was at college. We lost touch over the years, and I regret not reaching out more. Tyler was so sweet to me and always tried to do the best in every difficult situation. He was a great guy, and I will always cherish the memories we made. I remember going to a country concert with him and his family. I am lucky to have known him. I am so deeply sorry for your loss.

*We are so very sorry for such a tragic loss. The last time we saw him was in Florida at our home when y'all were visiting in the summer, he was around 11 or 12 years old and he and his brother William and sister Katie were having a ball swimming in the pool and going on the boat with uncle Mike! He will always be remembered by us just like that, laughing and having so much fun!! ☐*

*“ Tyler always had smiles and hugs for me. When we were at a barrel race, somebody got sick and needed to be checked out at the ER. Tyler jumped right in and drove him to the hospital and back. He was so happy to help! I always appreciated when he would see me the loving greeting I got from him. I will miss that sweet young man! Love goes to all t h e dami k y. You have all been a kindness to me!*
