December 21, 1983 - April 28, 2024

Verna Jeffs Barlow, age 40, died at home surrounded by her family on Sunday, April 28, 2024, after courageously battling Neuroendocrin cancer for 5 years. She was born to David and Madeline Jeffs on December 21, 1983, in Draper Utah.

She moved to Southern Utah in her later teenage years. Where she met Perry Barlow. who then became the love of her life and got married on May 2, 2003. Verna studied aromatherapy to become a healer using oils combined with her knowledge of herbs. She was a teacher for her children, homeschooling them through most of their grade school years. Verna lived a very adventurous life full of memories from camping, fishing, hiking, boating, skiing and ATVing. She lived for her children and made them the center of her world. She was known for her kind and loving nature and being a contributor to her community. Verna was very fearless and took every battle, head on.
