

Vicki Lee Shelton

April 27, 2025

Vicki Lee Shelton, beloved wife, mother, grandmother, sister, aunt, and friend, passed away peacefully on April 27, 2025, in St. George, Utah, after a courageous battle with cancer. Born in Los Angeles, California, to Irene Friedman and William Ringseth, Vicki was a woman of remarkable strength, compassion, and creativity who touched the lives of all who knew her.

Vicki married Fletcher Bruce Shelton in 1971, and together they built a loving family. She was a devoted wife, a dedicated mother to Jennifer (Lee), Gregg (Lisa), Brian (Mandie), and Lisa (Marc), and a proud grandmother to Brad (Ashlynn), Savannah (Robert), Ashley (Dan), Jeremy, Kailan, Mila, Fletcher, and Elliot. She also cherished the role of great-grandmother to Ryker and Raylee. She is survived by her sister, Sue, and numerous nieces and nephews—Meagan (Steve), Sadie (Danny), Maddie, Shane, Matthew, Malcom, and grandniece Phoebe—whom she also lovingly cared for and considered her own, helping to guide and nurture them throughout their lives.

A gifted seamstress and master of the crochet hook, Vicki's hands were always busy creating beautiful things. She had an undeniable love for reading, music, and singing, which filled her life with joy and brought comfort to others. As a military wife, she embraced the challenges of moving and adapting to new environments, always making sure her family felt loved and supported, no matter where they were.

In 2000, Vicki was diagnosed with breast cancer and bravely fought, emerging victorious. Unfortunately, in 2023, she was diagnosed with duodenal cancer,

which ultimately claimed her life. Throughout her illnesses, she exhibited the same strength and grace that defined her life.

Vicki's family would like to express their heartfelt gratitude to her best friend, Cheryal, whose presence was a constant source of support during her difficult journey, and to her granddaughter Ashlynn (RN, ICU), who came from Georgia to care for her in the final days, providing the family with much-needed relief as Vicki transitioned from this life to the next.

A funeral service was held on April 29, 2025, at Serenity Funeral Home in St. George, Utah, followed by a burial at Tonaquint Cemetery. Vicki's family takes comfort knowing she is now at peace, resting in the arms of those who have gone before her; her parents, Irene and Bruce, her brother, Mike, and her beloved husband, Fletcher.

Vicki's kindness, resilience, and deep love for her family will remain with them forever. She will be deeply missed but never forgotten. May she rest in peace.

Tribute Wall

“ I was sad to learn of Vicki's passing. Although life had it that we did not know each other well, I and 5 others are half siblings. We share a father and therefore bound by blood. We wish peace to her children and grandchildren.
