“ Marilyn,
Just want to say how sorry I was to see that Earl had passed away. I loved working with you two at school for the time we got to. You have been an inspiration to me of how to keep on keeping on in doing good things as you get on in life. I'm sure you will keep up the good work. Hope you are feeling the love and prayers coming your way.

Love ya,

“ I remember a story my Mom told me about Uncle Earl. Uncle Earl use to sleep walk when he was a teenager, so when he joined the military and would be serving on a ship Grandma Gilbert was worried that he would sleep walk off the ship into the water and she didn't know if he was a good swimmer.

“ *I always remember Uncle Earl with a great big smile and a warm, genuine welcome whenever we visited him. My mother, Joanne Earlene Houghton Hyatt, always told me that you were more like a big brother to her than an uncle. We will all be together again as a big loving family. My sincerest condolences to Aunt Marilyn, cousins David, Michael and Steven.*
