

Victoria Lynn Jensen

June 11, 1947 - October 23, 2020

Victoria Lynn Jensen passed away from health complications during the early evening hours on Thursday, October 22, 2020 at her Santa Clara, Utah home. Her husband, Nicholas Dilworth Jensen was by Victoria's side as she passed. She was 73 years old. Victoria will be sorely missed by many family members and friends who loved her, and whom she dearly loved.

She is survived by her husband, Nicholas Dilworth Jensen; her children, Scott Andrew Capser, Ron Allen Capser, Nicholas Isaac Jensen, Dana Andrew Jensen, Christopher Ryan Jensen, Nathan Elliott Valentine, Alisha Christine Green, and Candice Marie Blake; 17 grandchildren; brother, Gary Greenfield and sister, Gayle Agostinelli.

Victoria was preceded in death by her father, Cecil Clinton Greenfield, and her mother, Virginia Kathleen Brendel.

Victoria grew up on a ranch in Billings, Montana, the place of her birth. She was a pure-blooded ranch girl who loved her horse, Pal, and the freedom which country life afforded her. As she grew, she was expected to work and contribute to the duties of ranch life. Victoria was a skilled healer, developing the ability as she tended to the livestock. Her husband, Nicholas, was always proud of his wife's talent as a healer. Victoria was a tenacious woman, determined to make her way through life independently in the most confident,

serving, productive, successful, and ladylike way possible. While she believed a woman was as capable as any man of hard work and mental acumen, she was quite content with serving her good husband in every way which might lift and edify him. Her focus was to complete, not to compete.

For many folks in her life, she was one of the best people any of them had ever known. Victoria magnified every opportunity with which she was presented. Together, Nicholas and Victoria served three separate missions spanning eleven years for The Church of Jesus Christ of Latter-day Saints' Addiction Recovery Program. She took on overwhelming challenges with courage and a positive attitude, which seemed to shrink those challenges into manageable ordeals to be expected in life and handled as they come. She would often suggest prayer as a prelude to tackling adversity.

She was an author with a tremendous ability to compose beautifully embellished landscapes and portraits with words. She was also an artist, and literally painted beautiful landscapes and stunning portraits. She was a businesswoman who multitasked with grace, kindness, and honesty, always. She was a believer in Jesus Christ and a faithful saint all the days of her life, from the time she learned of Him, until her passing. She was a remarkable mother and grandmother who took time to listen, play, laugh, and teach. She was a devoted wife who served and supported her good husband in every way she could with all her heart, might, mind, and strength. She was a loyal friend who showed and verbalized love for others in a genuine way, which warmed every receiving heart. These qualities and characteristics demonstrated throughout her various roles in life, can't be understated, and a comprehensive description would fill volumes.

Victoria was loved by so many wonderful people, all of whom are sad to see her go, yet many of whom know she is just at the beginning of eternal glory with her loving Father in Heaven and many loving ancestors who have also

moved beyond the veil. They know she is blessing the lives of spirits in Heaven as much or more than those she blessed here on earth. She is no longer in pain. She is free and at peace, as she always hoped to be.

The family would like to thank Alexis Watson with Dixie Hospice, Graham Bueler with Serenity Funeral Home of Southern UT, and the many friends and family members who contributed to Victoria's care and comfort.

In lieu of flowers please consider donating to her surviving family to cover medical expenses.

“ Aunt Victoria had a kind, supportive heart. I remember when both she and my cousin were baptized into the LDS church. I prayed for 9 years that it would happen and I was so grateful when it did!

I remember her joy and strength in Jesus Christ. I remember she was full of the light of Christ. I remember visiting right around the same time that she had her first date with Uncle Nick. Her excitement couldn't be contained. She had met her soulmate for sure and I was grateful for the opportunity to go to her wedding.

Aunt Victoria was intelligent. She loved being an author. She loved to learn new things and try new experiences.

She had a great sense of humor and was often joyful and happy. She was optimistic even in the hardest of situations. Her concern was always for her family. Before she died I asked her if there was anything I could do to support her and she asked that I pray for her family and specifically her grandchildren that she loved so very much. Even in her moment of great pain she thought about them and how this would affect them.

I have no doubt she's busy doing work on the other side but she will be greatly missed. I'm grateful to know death is not the end and I'll see her again some day and get a huge hug again!

I'm praying for all the family and friends of Aunt Victoria. Especially Nathan and his kids and Uncle Nick. She will be greatly missed! She touched so many lives for good!

“ From the first day Sara and I met Victoria at Rent and Repair, when we went in to attend a welding class being offered there, Victoria made us feel right at home, like we were a part of her family. We got to know her more and more over the next few years and she was always there to help my wife Sara during our battle with Breast Cancer. We are so blessed to have known her and her wonderful husband Nick, Who as well, always made the extra effort to help us with any task or question we may have had. We only wish we would have had even more time to share with Victoria, as anyone who knew her would, and will and do miss her. As I always said to anyone when we spoke of Victoria, being in her presence was like have a spoon full of sweet honey, just such a pleasure anytime our paths crossed....rest in peace Dear Lady.....Paul & Sara Winn, Washington Utah

“ I will never forget the Friday night I walked into the Jensen's meeting and joined in their circle. It was a dark and miserable time in my life. I felt lost and hopeless and alone. Sister Jensen was so warm and filled with love. They both welcomed me without judgement, without question. It didn't matter who I was at that time in my life, or who I had been. It didn't matter what had landed me there. It only mattered that I was there. When I felt like I wasn't loveable, she loved me. She helped me realize my worth. She hugged me through many tears, she gave the best hugs. She helped me realize who I wanted to be and then helped me begin to become that person. She showed me that Christ had been there all along, that He had loved me through it all. She helped me learn to love myself again. She was the perfect example of having a Christ-like heart. She touch so many struggling souls on earth during her time on earth. She will forever have a place in my heart and I know without a doubt that we will still feel her warm and loving spirit in our circles.

I will be forever grateful that my life journey crossed with the Jensen's. I have no doubt that they both had a hand in saving my life. Without them I wouldn't be who I am today and, for the first time in my life, I'm proud of who I am.
