“ I loved Kim! When he came to Cedar City to practice with David, (I was then married to Dr. Wilkerson) I was having some strange symptoms. Kim came to the house to check me out. I can still see him in my mind's eye; sitting there, being very concerned and asking me pointed questions. Another time we went up north where he performed a surgical procedure on me. then was good enough to tell me specific problems I had, unlike other Dr.s performing the same procedure. He was a good person and a brilliant doctor. I am so sad that he is gone and send my sincere condolences to all of you!

*Love and prayers, Dori B. Phillips*
