“ *Bill was a gift to me in many ways. His biggest attributes were his patience and kindness. He also shared his most prized possession- all of his family. I am blessed in having had this time of my life. I am sorry for your loss of Bill-he was a great guy! Oh, I wouldn't recommend backing up w/a tow car and a motorhome- just like everyone says-Bill just had to make sure they knew what they were talking about, and they did. :-)*
